📍 Córdoba, Argentina.

## About me

Focused on React and passionate about learning, I've developed personal projects that showcase my commitment and skills. My enthusiasm for tackling challenges and my willingness to learn make me an exciting candidate to grow alongside your team.

## Education

**2020 - 2021**
Graphic Design School

**2022 – Present**
Web Development School

**2023**
English B2 Certification

## Experience

**2021 - Present**
Own projects & Collaborations

**Front/Back–End Development**

I have developed web applications and static pages using React.js, TS & JS, NodeJS and Solidity Dapps that you can see on my web site.

## Technologies

| React | Typescript & Javascript | NodeJS | Git & Github | Thirdweb SDK | Tailwind & CSS3 | HTML5 |
|---|---|---|---|---|---|---|

## Languages

- Spanish
